

Discovery Education

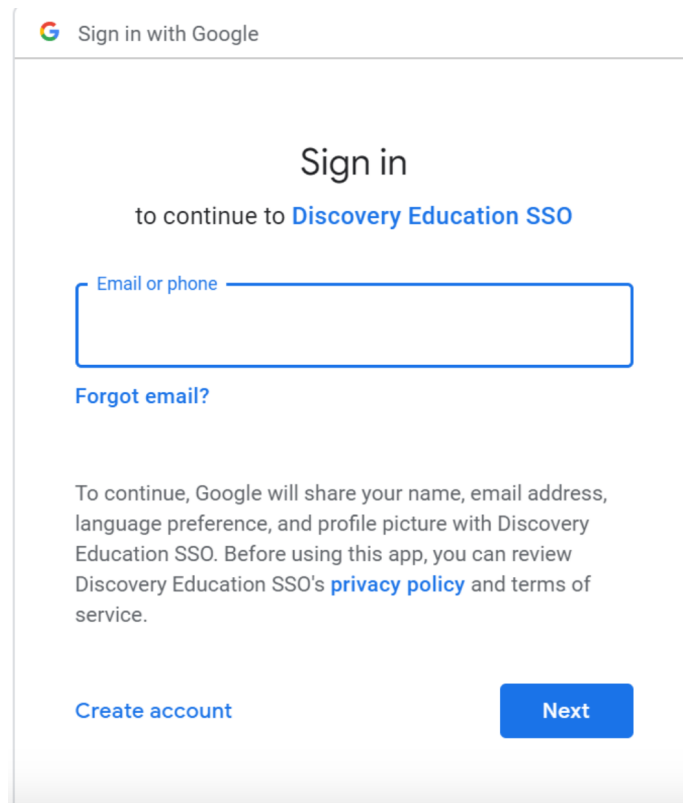

- [Google Single Sign-on Method \(this applies to most schools unless specified below\)](#)
- [Accessing Discovery Ed with Separate Username and Password](#)

Discovery Education Streaming is a very useful resource for finding videos related to the content you're teaching in class.

Most of the REMC1 member schools can automatically access Discovery Education using a single sign-on method with their Google Gmail address and password. Please follow the instructions below for accessing Discovery Education.

Google Single Sign-on Method (this applies to most schools unless specified below)

- 1) Access <http://google.discoveryeducation.com/>
- 2) If you are logged into Chrome with your school Gmail address, you will automatically log in to Discovery Ed
- 3) If not, enter your school email address and password when prompted.

The screenshot shows a web page titled "Sign in with Google". The main heading is "Sign in" followed by "to continue to Discovery Education SSO". There is a text input field labeled "Email or phone" with a blue border. Below the input field is a link "Forgot email?". A paragraph of text explains that Google will share user information with Discovery Education SSO and provides a link to the "privacy policy". At the bottom, there are two buttons: "Create account" and "Next".

Accessing Discovery Ed with Separate Username and Password

(This method only applies to the following districts: CCISD, Arvon Township School, Grant Township School, Elm River Township School, and REMC1 Staff)

Creating an Account

1) The schools listed above will need to create an account visit [this page](#) and enter your school's building code. If you do not know your building code please call REMC1.

REMC1 Only - for building codes see also: [Discovery Education](#) (Non-Public Access)
